Follow your team in the 2007 Rugby World Cup

With the 2007 Rugby World Cup kicking off in France today, you can now follow the results in association with Vanco.

[2007 Rugby World Cup Fixtures and Results](#)

As you can see from this link, we've teamed up with the English RFU. This is part of a wider partnership programme – more details to be made available next week.

In the mean time, enjoy the competition. Good luck to all teams involved
